

Warm shower in October

Thanks for a bed and a warm shower in this real cool city on October 1st. Unfortunately we had to leave Norway 'cause our holiday is taking an end. But next time we'll stay a little longer in your quite nice basement.

Glad about blankets and pillows after having spent so many nights at 0 degrees C in Finse... Great country... ..nice people... ..rain... ..fish... ..Shrimps and mussels. Alive, alive oh...
